

CALGARY CRIMINAL COURTS Courtroom Designations

The following Table describes the current courtroom designations and sitting times for criminal matters at the Calgary Courts Centre. Courtroom designations may change from time to time for a variety of reasons. This Table reflects the current assignments.

The Practice Notes that follow describe both the function (for example, Required Appearance Court), as well as the designated courtroom for that function. Every effort will be made to keep this table current. In order to avoid confusion and the necessity of constant minor updates to all of the Practice Notes, where there is a discrepancy between a Practice Note and this Table regarding a designated courtroom, this Table prevails. Updates will be reflected in the date at the lower right corner of that Table.
